

**456th FIS
Newsletter # 8
August 15,
2004**

This newsletter is a publication of the 456th FIS Alumni Committee. The Committee consists of seven former 456ers from the mid-sixties who decided to record some history of the 456th FIS from its birth in the mid-forties to its final deactivation in 1968. Our home base is Castle Air Museum in Atwater, CA. We hold no offices and work as a team to do a little of everything to find former members and conduct events where they can reunite and have some fun. We do have some primary duties listed here so please email us if we can help you in any way.

In Memoriam: On 8-19-04 we lost Crew Chief Keith Kell to ALS. At our 2003 Reunion, Bruce Gookin presented Keith (seated) a model of 57-2490. Bruce says Keith was not only a great friend but also maintained the best performing F-106 in our fleet. Wife, Rosemary Kell is at 1708 Hilltop Ct. Loveland, CO 80537. Love & prayers to Keith & Rosemary from the entire 456th FIS.

2005 Reunion is planned for Dayton, OH on June 9-12, 2005

In May, Jim "Arnie" Arnold and Ron Kollas met in Dayton to review 2005 reunion plans after Bob Justus had done a lot of preliminary research. The alumni committee had all planned to be there but unfortunately, Bob, John and Pat were all out for medical reasons; Bruce and Lou were consumed by their job workload and Paul had family obligations to attend. It was later decided that Dayton's availability and costs were acceptable and the recently refurbished USAF Museum would be a great place to hold our 2005 reunion.

In recent years a number of you had expressed an interest in attending a reunion but California was just not an option due to cost and travel distance. We decided to conduct at least one reunion back east to meet your needs. The risk is that most of our active members live in the West and going to Dayton causes them the same sort of cost/distance problems to consider. Here's how our membership looks by state:

456th FIS active alumni residence by state

Western		Central		Eastern	
Alaska	1	Arkansas	2	Connecticut	1
Arizona	9	Illinois	4	Florida	17
California	98	Indiana	4	Georgia	4
Colorado	16	Kansas	4	Massachusetts	1
Hawaii	1	Kentucky	2	Maryland	1
Idaho	2	Louisiana	3	Maine	1
Montana	1	Michigan	1	North Carolina	3
New Mexico	3	Missouri	5	New Jersey	2
Nevada	6	Mississippi	2	New York	6
Oregon	9	Nebraska	2	Pennsylvania	1
Utah	2	Ohio	6	South Carolina	2
Washington	12	Oklahoma	3	Virginia	10
		Tennessee	2	West Virginia	1
		Texas	19		
		Wisconsin	3		
Total	160	Total	62	Total	50

So far, we know of at least 21 alumnus who said they would be at Dayton but we need a more definite count for planning the reunion. To help us out, **please fill out the enclosed survey and return it as soon as possible.** We won't collect any money from you until about 60 days before the reunion. We had 156 attendees at the 2003 reunion at Merced. To make the economics work for Dayton we need at least 100-110 total attendees for Dayton (this includes alumni and spouses or guests). The Holiday Inn Hotel at Fairborn can block up to 200 rooms for us but they must be reserved well in advance due to the extraordinary number of reunions held in Dayton each year. Reservations can be cancelled as late as two days before the event with no charges. We recommend you make reservations as soon as possible. All the social events will be held at the Holiday Inn and the activity events will be held at the USAF Museum. More details will be supplied in the next few newsletters.

We are also talking about a 2006 reunion at Castle. The weekend following Memorial Day seems to be a good time for weather and crowd size. We may just make this a set event every year and let folks sign up to attend on the web site so that everyone can see who's planning to be there. For folks who enjoy or prefer the Dayton venue there could be one there too. We'll certainly talk more about it at Dayton in 2005. Meanwhile, **RETURN THAT SURVEY TO US ASAP!**

New committee members are welcomed

Paul Ketchum and Lou Pizzarello have been a breath of fresh air since they joined the alumni committee in 2003. These former MA-1 guys have had great success tracking down people from our "Wanted List" at a time when the rest of us thought we had already found all we could find. They have also brought new insights to how we plan reunions. Thanks Guys!

More aircraft displays planned for Castle Air Museum

CAM Executive Director Jean Astorino has announced that the museum is restoring the old TF-102 that has been sitting in their back yard for years. It's in pretty rugged shape but well worth the time and effort to save this piece of history. Visit the web site to see what kinds of parts they need. <http://www.elite.net/castle-air>

TF-102 at Castle is set for restoration

CAM is also working on acquiring an F-102A. This presents the 456th with another opportunity to lead the donations and earn squadron markings (Luther). Alumni Committee has already donated \$1000.

This F-102A in Florida is possibly headed for Castle – more news later

And finally, the big news of the Century! - CAM has obtained an F-100 to round out its collection of Century Series Fighters (\$10,000 is needed to pay off costs to transport and display).

This F-100 has just been moved from San Jose, CA to the CAM Restoration Hangar

Also planned is an F-15 Strike Eagle from Sheppard AFB training squadron. All CAM needs is enough money (about \$15,000) to pay for disassembly and shipment and our friends Carl Jameson and his sons have agreed to go retrieve the bird for the cost of fuel, food, motel and hauling permits. The alumni committee has donated \$200 to the F-15 project.

An F-15 Strike Eagle like this one is ready for CAM to pick up at Sheppard AFB

Also coming to CAM is an F-14 Tomcat. The Navy has agreed to fly it in and that will save a lot of transport costs (however \$25,000 is needed to de-mil and prep it for display).

A F-14 Tomcat may soon fly in to Castle on her last voyage to permanent display

CAM Special Offer is still in effect

Castle Air Museum is making a special offer. For donations of \$25.00 or more they will send you a free set of three F-106 prints. See them at <http://www.elite.net/castle-air/> click on the Gift Shop button or go to <http://www.ebay.com/> and search on "F-106".

Mail checks to:
Castle Air Museum
"Special F-106 Print Offer"
5050 Santa Fe Drive
Atwater, CA 95301

Remember to specify a project(s) or general fund on your check

Here's an example of the CAM three print set offer

Meanwhile, former 456er **Lee Nellist** is leading the fundraising efforts to acquire an F-106 at KI Sawyer Air Museum in Gwinn, Michigan. They have already raised half of the \$30,000 needed and invite all donations of money and 87th FIS memorabilia. The alumni committee has donated \$100 to this project. See the web site at <http://www.sawyersixproject.com/>
Tax-deductible donations may be sent to:

Adopt-A-Six
P.O. Box 1210
Gwinn, MI 49841-1210

F-106 # 56-0461 at AMARC is on hold for KI Sawyer Air Museum to raise money

Former 456th pilot **Dick Stultz** is a board member at McClellan Air Museum in Sacramento, CA and is leading the fund raising to acquire F-106 #59-0010 for the museum. The bird has been allocated to the museum by AMARC so all they need is plenty of cash. The Jameson clan will probably be involved in transporting this one too. See the museum web site at <http://www.mcclellanaviationmuseum.org>

Tax-deductible donations may be sent to:

F-106 # 59-0010 at AMARC is on hold for McClellan Aviation Museum to raise money

Our pals at Pacific Coast Air Museum in Santa Rosa, CA have retrieved their F-106 #59-0086 from AMARC and are looking for donations to cover restoration. And you guessed it, the Jameson's transported this one too! What would the world do without the generosity of this wonderful family?! See the museum web site at:

Santa Rosa, CA 95403

F-106 # 59-0086 has been moved to Pacific Coast Air Museum for restoration

In May, the Hill AFB Aerospace Museum rolled out their restored F-106 # 58-0774. This aircraft was assigned right out of the Convair factory to the 456th FIS in 1959 – 1961. Hill wanted to use 456th markings on this aircraft and asked the alumni committee if we wanted to sponsor the paint and decals. We said yes and donated \$500 to the cause. This is the second six on display in the US with 456th markings and will eventually contain a full set of missiles in the open bay when completed. They are looking for more donations to pay the restoration costs. See the museum web site at:

P.O. Box 612
Roy, UT 84067

F-106 # 58-0774 with 456th FIS markings is now on display at Hill Aerospace Museum

The Pima Air Museum has announced the beginning of their F-106 #59-0003 restoration in 2004. The alumni committee has donated \$106 to this project. See the museum web site at: <http://www.pimaair.org>

Tax-deductible donations may be sent to:
Pima Air & Space Museum
F-106 Restoration Project
6000 East Valencia Rd.
Tucson, AZ 85706

F-106 # 59-0003 is scheduled in 2004 for restoration at Pima Air & Space Museum

When we note that the alumni committee made donations, that means that one or more of us made personal donations to a project. We do not collect any money from the 456th alumni for donations but **we do encourage everyone to donate to their favorite museums or projects.** Many of you have offered to send money for newsletter postage and copying. We really appreciate your thoughtfulness but would rather see you make donations to CAM or your favorite museum project. The Alumni Committee will keep the newsletters coming and the web site maintained (note: the web site is currently being rebuilt and will be back on line soon).

456th Pictures and memorabilia still needed

Many of our members added memorabilia to the Castle museum's 456th collection and provided pictures and stories to Bob Justus who expanded our web site at <http://www.456fis.org>. We still need more pictures and stories so please search your closets and attics and send us some history to record. We'll make sure it gets back to you or sent directly to the Castle museum archives if you wish.

We are making progress on our 2004-2005 goals

Our goals for 2004-05 are:

- (1) to help Castle raise donations to acquire an F-102 Delta Dagger an F-100, an F-16 and an F-14 (and restore the TF-102).
- (2) to continue to track down former 456ers,
- (3) to add more pictures and stories to the 456th web site and
- (4) to plan / conduct another 456th Reunion at Dayton Ohio in 2005.
- (5) To continue helping other air museums acquire the last six F-106s in the AMARC inventory.

456th FIS WANTED List

If you know the whereabouts of anyone on the following list, please contact any of the Alumni Committee members or go to our web site at <http://www.456fis.org> and leave a note in the Guest Book.

See our 2001 and 2003 Reunion Pictures at: <http://community.webshots.com/user/popperry>
 We plan to send out about 4 more newsletters between now and our 2005 reunion.
 God Bless you all!

F-106 # 57-2456 was dedicated by the 456th FIS at Castle Air Museum in Atwater, CA on May 31, 2003

In October 2003, Jim Gier of the 27th FIS and Pine, AZ built and donated this beautiful “Luther Clock” to the Castle Air Museum F-106 Fund. You can help keep it at Castle for all to see and get a free set of F-106 prints too! See this newsletter for the Special Offer.

I plan to attend the Reunion in Dayton, OH June 9-12, 2005: Yes____ No____ Maybe____

I can't / won't attend the reunion because _____

I would like to see a future reunion held at _____

I'd be willing to pay \$65 -\$85 per couple for a dinner reservation at least 60 days prior to the reunion. Yes____ No____ (refundable if you do not attend)

I'd be willing to help conduct the reunion event. Yes____ No____

I need information on: _____

Write any statements or questions here: _____

THANKS for your input!

Note: At the 2003 reunion, people were responsible for making their own travel and hotel accommodation reservations. This worked out very well and allowed groups of close friends to make reservations at the same hotels. We will ask you to send dinner reservation money 60 days prior to the reunion. Our primary location will be The Holiday Inn at Fairborn. 2800 Presidential Dr., Fairborn, OH 45324. Tel: 1-937-4267800, Fax: 1-937-4261284 Email: hifbns4@one.net We suggest you make reservations ASAP!

Tentative Reunion Agenda: On a Thursday night we will have a cash bar reception with snacks in our hospitality room. Friday we will visit the USAF Museum. Friday night we will have a cash bar reception with snacks in our hospitality room. Saturday we will visit the USAF Museum. Saturday night we will have an organized reunion dinner at the Holiday Inn at Fairborn. Sunday we may have an organized farewell breakfast / brunch or you will be on your own to visit with friends or play golf.
